ACTIVITY GUIDE

Summer 2024 • May-August
ojairec.com
Registration opens April 24th
From the staff at the Ojai Recreation Department, we welcome you to the summer edition of the Parks & Recreation Activity Guide!

This season, we’re offering an exciting array of family-friendly special events, recreational classes, and enrichment programs for the community to enjoy. Starting with events, the Recreation Department’s Open House event is scheduled to take place on Saturday, May 25, 2024 from 10:00 a.m.-1:00 p.m. at Sarzotti Park, 510 Park Road. The free community event will showcase many of the department’s offerings and include program demonstrations. Instructors will also be on-site to answer questions about their respective programs, and staff can assist with summer registrations. Activities at the open house event will include informational booths, raffle giveaways, 5-A-Side awards, food trucks, game room play, bounce houses and so much more! During the summer months, the department is set to host a range of offerings including classes, camps and enrichment programs. Specialty youth camps will include, Soccer, Dance, Bravo Music and Arts, Mindful Movements Arts, Lego, and more!

Whether it’s for a program, an activity, or a camp, financial means should never be a reason that a youth is not able to participate in an offering. For this reason, the Department is proud to offer youth scholarships-to ensure that little ones have the opportunity to participate in recreational classes, programs, and camps to further enrich their lives. To learn more about scholarships, please visit our main office, 510 park road, or give us a call at 805-646-5581 ext. 390.

We appreciate the support throughout the year from our community members and visitors. We look forward to seeing you at the parks and recreation facilities!

Instructor Highlight

Meet Terry Kvasnik, an accomplished international movement artist and stuntman with over two decades of experience, from Cirque Du Soleil to touring with renowned artists. Terry’s journey began in gymnastics at the age of 3 and escalated to joining the circus at 18. Specializing in Acrobatics, Breakdance, Kung Fu, and Parkour, Terry has traversed the globe, learning from esteemed mentors and masters of movement, eventually becoming a teacher himself.

Discovering the Art that is Mindful Movement over ten years ago, Terry’s mission is to share his expertise in a fun, creative manner while imparting invaluable life skills. Through a structured syllabus akin to martial arts progression, students embark on a journey of self-mastery, building confidence, physical prowess, and agility in a supportive environment. Using a headband system for tracking progress, students can elevate their skills to international standards at their own pace while enjoying the camaraderie and joy of the practice.

Currently, Terry leads the Parkour and Breakdance programs at the Ojai Rec Center, guiding children to express themselves dynamically and safely while gaining essential skills for personal growth. Grateful for the community that has emerged from his classes, Terry is honored to be a member of and contribute to the Ojai community.
