Ojai, CA 93023

Subject: Maricopa Highway Bike Lane

The Fire District has reviewed the plans for the proposed bike lane project and determines the project will not significantly impact our emergency response through these areas. This determination is based on the correction of two minor items listed below.

1. The pinch point in the southbound bike lane along Maricopa Highway at the entrance of Nordhoff High School that was identified during the live driving demonstration performed by Fire District apparatus.
2. Provide access to the fire hydrant located on the northbound side of Maricopa Highway approximately 400 feet north of Church Street.

If you have any questions regarding this matter, please contact me at (805) 947-8528, Monday through Friday, 7:00 a.m. to 4:00 p.m.

Sincerely,

Ryan Kraai
Fire Prevention Officer
Fire Prevention Bureau

Committed to Excellence ... Delivered with Pride

Providing protection and preservation of life, property and environment to: The Cities of Camarillo, Moorpark, Ojai, Port Hueneme, Santa Paula, Simi Valley, Thousand Oaks, and the unincorporated areas of Ventura County.
